Birthday Party Reminders

- Plan to arrive no more than 15 minutes prior to your scheduled start time.
- Please let the staff at Gymjam be aware of any allergies or challenges we may encounter during the party. We are happy to accommodate accordingly.
- ****Don't forget candles or your camera!****
- Gymjam provides paper products and utensils—but you are more than welcome to bring themed party products.
- You are responsible for all food and drink and have full use of the refrigerator and freezer. *(Due to allergies—no peanuts, peanut butter, or peanut products of any kind.)*
- We provide 3 balloons for the birthday child. If you wish to purchase more balloons to hand out to the party guests. These are available in groups of 10 for \$8.00. Please contact Gymjam in advance to order additional balloons..
- All children need to have a waiver signed before participating. *(the waiver is located on the back of the Gymjam party invitation—or the parent can fill out a waiver sheet at the gym if you choose not to use our invitations)*
- Children should remove shoes AND socks before going on to the gym floor. We ask they remove socks because the children climb on metal equipment and this reduces their chance of slipping. Parents are welcome on the gym floor but need to remove their shoes.
- After the party moves into the Fun Room, gym time is over and children cannot return to the floor.
- Sorry, no piñatas please.
- No alcoholic beverages are allowed at Gymjam.

Keep in mind...

- Gymjam calls all parties the weekend before the party date to confirm the party and the size of the party. Please contact Gymjam before the weekend of your party to let us know if your party will exceed the party size you booked or if you have to reduce your party size. We staff accordingly.
- The remaining balance is due at the end of the party. We do not keep the credit card on file that you used to leave the deposit.
- Tips are not included in the cost of the party—and are greatly appreciated!
- ***Be aware that you will leave with more than you come with!***
- Please be considerate of the fact that we have a special time slot reserved for you. The facility is yours during the children's gym time. Vacating the space on time is very important to us because we need to clean and make the room ready for the next party in a very short period of time. Your understanding is appreciated!
- We do not close due to inclement weather, unless under extremely rare storm conditions. It is the host parents decision to cancel or reschedule their event.

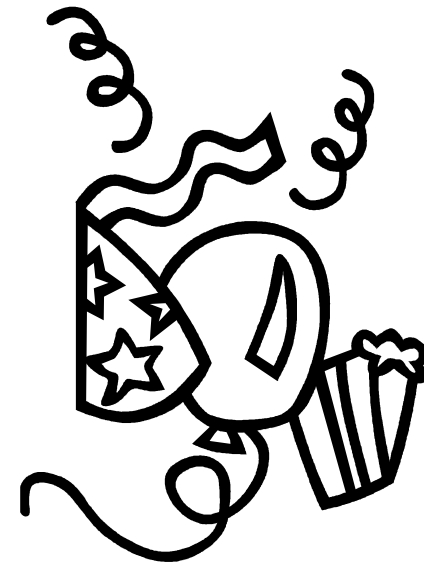

We look forward
to making your
party a success!!
